The Scarecrow Marketplace

The Clinton Business Improvement Association is organizing our second annual Scarecrow Festival to celebrate the festive autumn season and honour our fantastic community. Clinton is nestled in the heart of Huron County. We are known for our rich agricultural history and as a popular tourist destination.

Our first festival attracted people from Southwestern Ontario as well as Northern Michigan. The Clinton Scarecrow Festival is advertised in local newspapers, The London Free Press, brochures circulating to over 5000 homes and businesses, radio advertising on FM 101.7 The One, BX 93 & AM 920, reaching a vast area of Southwestern Ontario. The day was a success! Events taking place throughout the day included an arts & craft sale, town wide sidewalk sale & food market, Scarecrow contest, horse & wagon rides, children's entertainment and a fabulous lineup of local musicians.

This year we are looking forward to new events at our festival. We are very excited about expanding our Arts & Crafts Marketplace.
